

We are pleased to inform you that the FNC Group's week 7 newsletter is now available, with exciting updates on our new members, plans for the upcoming 2023 London conference, and the outstanding accomplishments of our current and former members. We encourage all members to read the newsletter and share the valuable information with their colleagues in the industry. We enthusiastically welcome our new members and look forward to exploring the potential for new business opportunities and partnerships that they bring to the group.

### FNC Group London Conference 2023 updates

We are delighted to inform you that registration for the London conference is open, and those who have already completed their registration have been added to the list of participants on the FNC Group website. This list will be updated daily as new members register. Please see the following [link for more information](#).

Starting from March 15, 2023, we will create a WhatsApp group exclusively for London conference delegates. This will enable delegates to interact with one another before arriving in London.

### **Membership Directory**

We urge all members to confirm the accuracy of the membership roster prior to conducting business with other members. We have received multiple reports indicating that certain companies misuse the FNC logo to obtain credit but fail to fulfill their payment obligations on time. Therefore, please ensure that you verify the company's identity before engaging in any business dealings

As a result of our website's recent updates, some companies, particularly those in China, are experiencing difficulties with the "recaptcha" feature. We suggest using a VPN to access [fnc-group.com](https://www.freightnetworkcorporation.com/member-directory/) or utilizing <https://www.freightnetworkcorporation.com/member-directory/> and entering the password FNC2023 to access the site.

## **Milestone Members**

The Milestone Members category of FNC Group recognizes companies that have effectively completed their membership renewal process. It is worth noting that member companies of FNC Group are automatically included in this category upon renewing their membership. The organization takes pride in acknowledging its Milestone Members, celebrating their accomplishment of reaching a noteworthy milestone in their business and facilitating their reconnection with other members of the group.

## **Thank you, Sponsors**

We want to extend our heartfelt gratitude and appreciation to our sponsors for their invaluable contributions that have allowed us to plan and execute the upcoming event on a more significant and comprehensive level. It is with immense pleasure that we present details about our sponsors.

At FNC Group, we are eagerly anticipating a successful conference and are profoundly thankful for the unwavering support of our members.

Established in 2012 as a local Jordanian freight forwarding company, RIMAS LOGISTIC SERVICES has been dedicated to becoming a valuable market partner. In 2014, the company entered a new era of freight solutions through a partnership that brought increased financial strength and a restructuring which led to a new vision and strategy aimed at driving significant change. Rimas Logistic Services is committed to developing strategic partnerships with customers and industry agents worldwide. With its new leadership, the company leverages extensive experience and knowledge accumulated over the years to develop best practices in freight forwarding.

Please join us in warmly welcoming Mr. Kamal Abdul Fattah and his team. Let us work together to build a mutually beneficial and long-term business relationship with the FNC Group.
